

JULIE M

for sale

DESCRIPTION

JULIE M is an exceptional motoryacht. Built in 2008 by Ferretti, she has only been used privately by her sole current owner. Finished in a very elegant light-oak interior wood she boasts comfortable accommodation for 8 guests plus 4 crew. Her twin MTU 2000HP engines give her a comfortable cruising speed of 28 knots and her seaworthiness is true testament to the hugely successful hull of the Ferretti 830, still in use today by the Ferretti yard.

Asking Price:	€2.475.000
Builder:	Ferretti
Year:	2008
Length (overall)	25.30m

20 Oct 2015
